

READY? SET? TEST! PATIENT TESTING IS IMPORTANT. GET THE RIGHT RESULTS

WB4519

PROGRAM DESCRIPTION: This enduring activity is designed to promote reliable, high quality testing and enhance patient safety by explaining steps of the waived testing process and to provide the learner with additional resources to assist on the job.

OBJECTIVES:

At the conclusion of the session, the participant will be able to:

1. Identify the basic requirements for performing waived testing.
2. Identify at least three good laboratory practices for preparing the laboratory or testing site to produce high quality test results.
3. Describe my role, responsibilities, and scope of practice as a team member performing CLIA-waived testing
4. Identify at least two good laboratory practices that assure the right sample type is obtained from the correct patient
5. Identify patient samples that are labeled correctly.
6. Identify at least two good laboratory practices for testing.
7. Identify at least two good laboratory practices for recording and reporting results.

FACULTY/ CREDENTIALS:

Nancy Anderson, MMSc, MT (ASCP), Senior Advisor for Clinical Laboratories, CDC

Nancy Cornish, MD, Medical Officer, Senior Advisor for Quality and Safety, CDC

Lori Hall, PharmD, Health Scientist, CDC

Helen Mills, RN, MSN, National Clinical Educator, VA

Theresia Snelling, MBA, MPM, BS, MT (ASCP), Health Scientist, CDC

Heather Stang, MS, MT (AMT), Deputy, Quality and Safety Systems Branch/Health Scientist, CDC

ORIGINATION DATE: January 19, 2022

EXPIRATION DATE: January 19, 2024

ACCREDITATION STATEMENTS:

In support of improving patient care, The Centers for Disease Control and Prevention is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

CME: The Centers for Disease Control and Prevention designates this **enduring** activity for a maximum of **1.5** AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CNE: The Centers for Disease Control and Prevention designates this activity for **1.5** nursing contact hours.

CPE: The Centers for Disease Control and Prevention designated this **Knowledge-based** event for pharmacists to receive **0.15** CEUs in pharmacy education. The Universal Activity Number is JA-UAN: JA4008229-0000-22-002-H04-P.

Once credit is claimed, an unofficial statement of credit is immediately available on TCEOnline. Official credit will be uploaded within 60 days on the NABP/CPE Monitor

CEU: The Centers for Disease Control and Prevention is authorized by IACET to offer **0.1** CEU's for this program.

CECH: Sponsored by the Centers for Disease Control and Prevention, a designated provider of continuing education contact hours (CECH) in health education by the National Commission for Health Education Credentialing, Inc. This program is designated for Certified Health Education Specialists (CHES®) and/or Master Certified Health Education Specialists (MCHES®) to receive up to **1.5** total Category I continuing education contact hours. Maximum advanced level continuing education contact hours available are **1.5**. Continuing Competency credits available are **1.5**. CDC provider number **98614**.

For Certified Public Health Professionals (CPH)

The Centers for Disease Control and Prevention is a pre-approved provider of Certified in Public Health (CPH) recertification credits and is authorized to offer **2.0** CPH recertification credits for this program.

DISCLOSURE: In compliance with continuing education requirements, all planners and presenters must disclose all financial relationships, in any amount, with ineligible companies during the previous 24 months.

CDC, our planners, and content experts wish to disclose they have no financial relationship(s) with ineligible companies whose primary business is producing, marketing, selling, reselling, or distributing healthcare products used by or on patients. Content will not include any discussion of the unlabeled use of a product or a product under investigational use.

CDC did not accept financial or in-kind support from ineligible companies for this continuing education activity.
