

Denise J. Jamieson, MD

Chief, Women's Health and Fertility Branch ,
Division of Reproductive Health,
National Center for Chronic Disease
Prevention and Health Promotion

Dr. Denise J. Jamieson is the chief of the Women's Health and Fertility Branch at the Centers for Disease Control and Prevention (CDC) in Atlanta and a Captain in the U.S. Public Health Service. She is also an Adjunct Professor in the Department of Gynecology and Obstetrics at Emory University.

Dr. Jamieson has served on several American College of Obstetricians and Gynecologists (ACOG) committees including serving as the chair of the Committee on Gynecologic Practice. She is a member of the editorial board for *Obstetrics & Gynecology*. She has been an oral board examiner for the American Board of Obstetrics and Gynecology since 2007. She has twice received CDC's highest award for scientific excellence, the Charles C. Shepard Science award for outstanding manuscript. Dr. Jamieson has received a series of awards from the US Public Health Service, including the Commission Corps Outstanding Service Medal, the Commission Corps Commendation Medal and the US Department of Health and Human Services Secretary's Award for Distinguished Service.

Dr. Jamieson practices obstetrics and gynecology at Grady Memorial Hospital, a large publicly-funded hospital in Atlanta, GA which serves many uninsured and disadvantaged women.
