

## Stephanie Pratt, PhD

Coordinator, NIOSH Center for Motor Vehicle Safety,  
National Institute for Occupational Safety and Health,  
Division of Safety Research

**Dr. Stephanie Pratt** leads the Center for Motor Vehicle Safety in the National Institute for Occupational Safety and Health (NIOSH).

She is a member of the ASSE Transportation Practice specialty, the ANSI Z15 and ISO 39001 standards committees, and the Road Traffic Injury Research Network. Dr. Pratt serves as a Federal liaison to the Network of Employers for Traffic Safety, and represents NIOSH in the UN Road Safety Collaboration. In her 22-year career at NIOSH, Dr. Pratt has made more than 50 professional presentations and authored numerous journal articles and technical documents on road safety.

Dr. Pratt received her doctorate in public policy from West Virginia University.
