Socially Distanced Flu Vaccination Clinic – October 2020

October 2, 2020

SUMMARY: People signing in and getting their seasonal influenza vaccine while practicing COVID-19 prevention guidelines at a drive-thru flu vaccine clinic being held in a parking garage.

DESCRIPTION:

A. This b-roll depicts people at an employee vaccine clinic getting their seasonal flu vaccine while practicing social distancing and other guidelines to slow the spread of COVID-19. The footage shows people wearing masks, while waiting in line, six feet apart, to check-in for their appointment using a QR code on their smart phone. Three people are prepped and then receive their flu vaccine given by a health care provider.
