

OFFICE OF MINORITY HEALTH & HEALTH EQUITY (OMHHE)

<http://www.cdc.gov/minorityhealth/>

MISSION

Advance health equity and women's health issues across the nation through CDC's science and programs, and increase CDC's capacity to leverage its diverse workforce and engage stakeholders toward this end.

VISION

A world where all people have the opportunity to attain the best health possible.

GOALS

Health Equity

Decrease health disparities, address social determinants of health, and promote access to high quality preventive health care.

Women's Health

Support and protect the health and safety of women and girls by addressing health issues and identifying solutions.

Diversity & Inclusion

Create an organization where CDC leadership embraces diversity and inclusion and protects the health of diverse populations.

Organizational Capacity

Increase organizational capacity by aligning all resources to achieve strategic priorities.
