Date

Notification of Nominee Selections will be sent to institutional representatives and the nominees by February 22, 2016.

Student Interest Form (to be completed by student and submitted by the university)

Nominated students should submit an essay of approximately 300 words for consideration by the Planning Committee. Essays will be used in the final selection process as well as to determine student interest in health disparities.

Please address the following topics in a brief essay and send with your institution's Nomination Form.

1. What will be the most important public health issues confronting communities that experience health disparities in 2025?
2. What will you be doing in 2025 to address and reduce these disparities?

In order to help us better meet the expectations of participants, please list up to three things you would like to gain from participation in this Summit.
