

Course Detail

MMWR Weekly - January 21, 2011

Course Number: SS1747-02111

CE Origination Date: January 21, 2011

CE Expiration Date: March 7, 2011

Goal

The goal of this report is to be CDC's primary voice for scientific publication of timely, reliable, authoritative, accurate, objective, and useful science-based public health information and recommendations to those in need of the information

Objectives

The objective of MMWR to (1) describe current (timely, reliable, authoritative accurate, objective, and useful science-based) public health information; (2) provide recommendations based on the information, and (3) describe the impact that the recommendations will make on public health

Intended Audience

All
