

Course Detail

MMWR Weekly – March 6, 2015

Course Number: WB2526-03062015

CE Origination Date: March 6, 2015

CE Expiration Date: April 20, 2015

Goal

The goal of this report is to be CDC's primary voice for scientific publication of timely, reliable, authoritative, accurate, objective, and useful science-based public health information and recommendations to those in need of the information

Objectives

The objective of MMWR to (1) describe current (timely, reliable, authoritative accurate, objective, and useful science-based) public health information; (2) provide recommendations based on the information, and (3) describe the impact that the recommendations will make on public health

Intended Audience

Physicians, Nurses, Public Health personnel, Health educators

Content Experts/Prepares

Suicide Trends Among Persons Aged 10–24 Years — United States, 1994–2012

Erin M. Sullivan MPH, Division of Analysis, Research, and Practice Integration

Joseph L. Annest, PhD, Division of Analysis, Research, and Practice Integration
