Issues/Concerns

CDC Disease Detective Camp Conditions.

Please initial indicating that you have read and agree to each statement.

_____ The CDC Disease Detective Camp is a voluntary attendance camp; campers should arrive eager to participate in the scheduled activities. Campers are expected to arrive in a timely manner.

_____ I have read the Frequently Asked Questions at <http://www.cdc.gov/museum/camp/ddc-faq-13.pdf>

_____ Campers must show picture ID each day of the camp and are required to wear a CDC-issued ID badge. This is for the safety of each camper.

_____ Campers must be 16 years of age by the first day of the camp. Camper must provide proof of birth date with the application. Acceptable forms of birth date confirmation are **copies** of a birth certificate, passport, learner's permit or driver's license. Do not send original documents.

Waiver and Release – Parent/Guardian:

Please initial indicating that you have read and agree to each statement.

_____ I grant permission for CDC staff to take pictures or video of my child to be used for marketing purposes without compensation or time limitations.

_____ I understand there is no tuition cost associated with the CDC Disease Detective Camp, but campers are responsible for bringing or buying their lunch each day.

_____ I will ensure that my child will have transportation to and from the CDC Roybal Campus at 1600 Clifton Road in Atlanta, GA each day. Lodging and transportation will not be provided by CDC.

_____ I understand that the campers must be 16 years of age by the first day of the camp. Camper must provide proof of birth date with the application. Acceptable forms of birth date confirmation are **copies** of a birth certificate, passport, learner’s permit or driver’s license. I will not send an original document.

CDC Disease Detective Camp Recommendation Form

Camp Applicant: A teacher or guidance counselor must complete this recommendation form. **The completed form must be submitted with your application** – do not mail teacher recommendations separately. **Applications must be postmarked by April 11, 2014.**

Camp Applicant: _____

To be completed by Recommender:

Name & Position: _____

1. How long have you known this student and in what context?

2. How would you rate this student on the following characteristics?

	Below Average	Average	Above Average	Excellent	No Basis for an Opinion
Academic achievement					
Maturity					
Motivation					
Ability to work in teams					
Intellectual curiosity					
Ability to adapt to new situations					

3. The CDC Disease Detective Camp is a highly competitive program. **Please help us understand how this student differs from other students in your class. (Type your response or use back of sheet).**

Signature: _____ Date: _____

Application Essay Questions:

Submit **typed** responses to the four questions listed below. Remember – the answers you write to these questions will be used to evaluate your application. Put thought into each answer, and be sure to proofread! And most of all, be yourself. Don't answer the questions in a way you think will please us.

1. The *CDC Disease Detective Camp* teaches attendees about the scientific field of public health. Tell us what you know about public health and why this camp is appealing to you. Use your own words. Please do not type out the dictionary definition of public health. (250 words or less)
2. Tell us something interesting about yourself that you think we should know. (150 words or less)
3. What has been your favorite learning experience? This does not have to be limited to a school experience. (no word limit)
4. Right now I think I want to be a _____ when I finish school. Please tell us why. (150 words or less).

Your application will be rated based on:

Following all the directions indicated in the application, completing the entire application, the quality of each essay question, the teacher recommendation, and making the April 11th deadline.
