Information

Please check next to each statement indicating that you have read and agree to each statement.

_____ I grant permission for CDC staff to take pictures or video of my child to be used for marketing purposes without compensation or time limitations.

_____ I understand there is no tuition cost associated with the CDC Museum Public Health Academy programs, but students are responsible for bringing or buying their lunches for in-person camp and must have access to a computer and internet for the online course.

_____ I will ensure that my camper will have transportation to and from the CDC Roybal Campus at 1600 Clifton Road NE in Atlanta, GA each day for in-person camp or has access to a computer and internet for the online summer course. Lodging, transportation, internet access and electronics will not be provided by CDC.

_____ I understand that my student must be 16 years of age by the first day of in-person camp or online summer course. At museum education staff request, I will provide proof of birth date of my student. Acceptable forms of birth date confirmation are copies of a birth certificate, passport, learner’s permit or driver’s license.

_____ I understand that all students are expected to fully participate and adhere to stated program rules. I understand that students who repeatedly break rules will be removed from camp or online course.

CDC MUSEUM PUBLIC HEALTH ACADEMY CONDITIONS

Place a checkmark next to each statement to indicate that you read the statement and are aware of camp expectations.

_____ The *CDC Museum Public Health Academy Online Summer Course* and *CDC Museum Disease Detective Camp* is a voluntary attendance programs; participants should arrive on time and eager to participate in scheduled activities.

_____ I have read the Frequently Asked Questions on the camp and/or online summer course application pages.

_____ Campers must show picture ID each day of the in-person camp and are required to wear a CDC-issued ID badge. This is for the safety of each camper.

_____ Students must be 16 years of age by the first day of the in-person camp or online course. Camper or parent/guardian must provide proof of birth date if requested by CDC Museum education staff.

_____ Camp and Online Summer Course are welcoming environments where all students can openly embrace learning. No bullying or negative behaviors will be tolerated.

_____ Students who are not able to adhere to program rules will be asked to leave camp or will be removed from the online course.

SHORT ANSWER + APPLICATION ESSAY QUESTIONS

Submit a separate page with **typed responses** to the five questions listed below. Remember – these answers will be used to evaluate your application. Put thought into each answer and be sure to **proofread**.

1. List three words describing your strengths.
2. List three words describing things about yourself you want to improve.
3. The *CDC Museum Public Health Academy* teaches attendees about the scientific field of public health. Tell us what you know about public health and why this topic is appealing to you. Use your own words. If you do not know much about public health yet-that's okay! Use a reputable source to find a definition, be sure to cite your source. (250 words or less)
4. Tell us ONE unique thing we should know about you. This can be funny, serious – anything! (250 words or less)
5. CDC works to keep people safe and happy by analyzing data to determine what public health problems need to be addressed. What problems would you like to solve in your life and career? Why this problem and what skills do you feel you will need to be successful? (250 words or less)
