

# FISCAL YEAR 2018 BUDGET

CDC's National Center on Birth Defects and Developmental Disabilities (NCBDDD) fiscal year (FY) 2018 appropriation includes **\$140,560 million** for Child Health and Development, Health and Development with Disabilities, and Public Health Approach to Blood Disorders.

Funds are currently supporting surveillance, research, and prevention activities that are addressing issues with the greatest public health burden and implementing strategies to improve health outcomes.
