

CDC's *Learn the Signs. Act Early.* for Early Head Start and Head Start Programs

FREE resources to help you engage families in monitoring developmental milestones from 2 months to 5 years from the Centers for Disease Control and Prevention (CDC).

CDC's *Learn the Signs. Act Early.* materials help you...

- ✓ Provide guidance and resources to parents when discussing developmental concerns.
- ✓ Work with parents to become better observers of their child's development and encourage them to take action on a developmental concern.
- ✓ Meet Head Start Program Performance Standards.
 - Complement and support developmental screening.
- ✓ Meet Head Start training requirements.
 - Earn 0.1 CEU with the *Watch Me! Celebrating Milestones and Sharing Concerns* online training (www.cdc.gov/WatchMeTraining).

1 in 6 children has a developmental delay or disability. You can help identify children with signs of developmental delay, strengthen family engagement in developmental monitoring, and better support all children by...

1. Using CDC's [milestone checklists](#) and [Milestone Moments](#) booklet to
 - a. Enhance developmental screening by routinely tracking each child's development.
 - b. Empower parents to observe and track their child's development.
 - c. Increase your knowledge of signs of potential delay and what to do when there is a concern.
2. Helping parents to act on developmental concerns.
 - a. Support them by sharing CDC's [How to Help Your Child](#) and [How to Talk with the Doctor](#) tip sheets.
3. Learning more about monitoring each child's development and sharing updates with parents with CDC's FREE 1-hour online training, *Watch Me!* (www.cdc.gov/WatchMeTraining).
