

Learn the Signs. Act Early. (LTSAE) Digital Toolkit

CDC's "Learn the Signs. Act Early." program encourages parents and providers to learn the signs of healthy development, monitor every child's early development, and act early when there is a concern. The program offers free checklists and other tools to make developmental monitoring practical and easy.

CDC's Milestone Tracker App

CDC's Milestone Tracker app, available in English and Spanish, provides a fun and easy way for parents and caregivers to track and support their child's early development from ages 2 months to 5 years.

Milestone Checklists

How a child plays, learns, speaks, acts, and moves offers important clues about his or her development. Families can use these checklists to track and celebrate their child's development and learn what to do if they ever have concerns.
