Everyone can play a role in supporting more inclusive state programs, communities, and health care to help people with, or at risk for, disabilities be well and active in their communities. Join CDC and its partners as we work together to improve the health of people with disabilities.

**Disability Types**
- **Mobility**: Serious difficulty walking or climbing stairs
- **Cognition**: Serious difficulty concentrating, remembering, or making decisions
- **Independent living**: Serious difficulty doing errands alone, such as visiting a doctor’s office
- **Hearing**: Deafness or serious difficulty hearing
- **Vision**: Blind or serious difficulty seeing, even when wearing glasses
- **Self-care**: Difficulty dressing or bathing

**Disability Healthcare Costs in Illinois**

- About $32.8 BILLION per year, or up to 33% of the state’s healthcare spending
- About $18,881 per person with a disability
