

Community Counts Data Visualization

Overview of the Tool

You can access the tool from the Community Counts Data Visualization website.

Read the disclaimer carefully and then click "I AGREE."

Click on the "HTC Population Profile" tab to view the HTC Population Profile data reports.

As new modules are released, you will be able to click their tabs to navigate between them.

Click on the "Help and Tools" tab to access FAQs, technical notes, and Community Counts fast facts.

The status bar displays real-time counts of patients with bleeding disorders.

On the "Demographics" tab you can view patient demographic information.

Click the "Clinical Characteristics" tab to view the patients' clinical characteristics.
