Stay safe from COVID-19

How I get my COVID-19 booster shot
I already got my COVID-19 shot.
My doctor says I need a booster shot.
My mom needs a booster shot, too.
The booster shot helps keep us from getting very sick from COVID-19.
Today we get a COVID-19 booster shot. My mom and I take the bus.
We wear our masks so we don’t get sick.
When we get there, we wait our turn. My mom and I keep a safe distance from other people.
The nurse gives me a booster shot.
My mom gets a booster shot, too.
Now we are all done!

A COVID-19 booster shot helps keep us from getting very sick from COVID-19.
When we get home, we rest.
Our arms hurt.
We feel better in a few days.
My family and friends get their booster shots, too.
I got my COVID-19 booster shot.
You can, too.
To stay safe from COVID-19, I can

- Get a vaccine and booster shot
- Wear a mask
- Keep a safe distance from other people
- Wash my hands
