

OFFICE OF HEALTHY HOMES AND LEAD HAZARD CONTROL

**Community Performance Report
1st Quarter Fiscal Year Report
FY 2005
Reporting Period (October-December, 2004)
Issued: March 11, 2005**

PART 1: COMMUNITY PERFORMANCE

For over 10 years, the Office of Healthy Homes and Lead Hazard Control (OHHLHC) grant programs have been an important foundation of the Federal Strategy to eliminate childhood lead poisoning. Our current efforts are guided by both Title X of the Housing and Community Development Act of 1992 and by the President's Task Force on Environmental Health and Safety to Children, which in 2000 established the Federal Goal of eliminating childhood lead poisoning by 2010. Because our grantees and their communities are critical to our success in meeting this goal, we want to ensure that you are fully aware of their progress.

About two years ago, we began issuing reports on our grant programs as a way to enhance our efforts and attention towards achieving results by sharing performance highlights and concerns. Issuance of these reports began once OHHLHC had set benchmark performance standards as a basis for measuring grantee performance over time. Previous performance reports have focused solely on grantee performance. This report not only includes grantee performance, but also provides a snapshot of how each community is performing based on grantee performance. Just as we rate our grantees, we have rated each community using the overall average score of its grantees.

We are pleased to provide you with the first issue of our Community Performance Report. This report details accomplishments towards achieving key performance goals of the Office of Healthy Homes and Lead Hazard Control (OHHLHC). This information has been compiled from grantee quarterly and final reports, as well as Government Technical Representative (GTR) monitoring activities. The report includes information on activities occurring through December 31, 2004. The color coded ratings are as follows:

- Green: The community's grantees are generally on or ahead of schedule in carrying out their lead hazard control and healthy homes program grant activities.
- Yellow: The community's grantees are generally behind schedule in one or more areas of performance.
- Red: The community's grantees are substantially behind schedule in one or more areas of performance.

Individual grantee performance follows this table. If you have any questions about this report please do not hesitate to contact Linda Ciancio at the following email address:

linda_j._ciancio@hud.gov.

PART 2: GRANTEE PERFORMANCE

Overall Grantee Performance and Trends

OHHLHC Grant Program participants report quarterly on their progress towards meeting the goals and objectives outlined in their work plans. Government Technical Representatives (GTRs) assess this progress and rate each grantee on the major factors of their programs. The color coded ratings are as follows:

- **Green:** Grantee is on or ahead of schedule with all performance factors. No corrective action required.
- **Yellow:** Grantee is behind schedule in one or more performance factors. Work out strategy required with monthly updates to the GTR.
- **Red:** Grantee is substantially behind schedule in one or more performance factors. Work out strategy and weekly reports to GTR are required. Grantee may be designated as high risk.

The following table shows that 66.93 percent of the OHHLHC grantees are performing well, i.e., received “green” ratings from GTRs. This is down from last quarter’s performance where approximately 71 percent of our grantees received “green” ratings. While the percentage of grantees receiving “red” ratings remained virtually the same, at just below 13 percent, the percentage of grantees receiving “yellow” ratings increased from 16.24 percent last quarter to 20.08 percent this quarter.

Accomplishments

Fifty-one grantees significantly surpassed their quarterly goals for unit completion/intervention, and they deserve to be recognized for their extraordinary efforts. (Grant program is indicated in parenthesis following each community. LHC = Lead Hazard Control; Demo = Lead Hazard Reduction Demonstration; HHI = Healthy Homes Demonstration)

Grantees Surpassing Unit Completion/Intervention Goals by over 80%

Grantee	Units/Interventions Goal	Unit/Interventions Accomplishment	Percentage Difference Above Goal
City of Phoenix, AZ (LHC)	13	163	>200%
St. Louis, MO (Demo)	13	87	>200%
City of Memphis, TN (LHC)	23	135	>200%
San Diego County, CA (LHC)	30	172	>200%
Newark, OH (LHC)	9	48	>200%
City of Dubuque, IA (LHC)	13	58	>200%
Westchester County, NY (LHC)	12	40	>200%
City of Cincinnati, OH (LHC)	30	99	>200%
City of Warwick, RI (LHC)	6	19	>200%
City of Baltimore, MD (Demo)	8	22	175%
Westchester County, NY (Demo)	8	22	175%
City of Kansas City, MO (LHC)	77	203	163%
City of Milwaukee, WI (LHC)	1110	2870	159%
Commonwealth of Pennsylvania (LHC)	15	38	153%
Allegheny County, PA (LHC)	40	95	138%
City of Columbus, OH (LHC)	75	175	133%

City of Woonsocket, RI (LHC)	12	28	133%
City of Louisville, KY (LHC)	131	267	103%
City of Kankakee, IL (LHC)	240	443	101%
Baltimore City, MD (LHC)	237	465	100%
Minneapolis, MN (HHI)	6	11	83%
Hennepin County, MN (Demo)	22	40	82%
St. Louis County, MO (LHC)	110	198	80%

Grantees Surpassing Unit Completion/Intervention Goals by 50-80%

City of Boston, MA (Demo)	Coalition to End Childhood Lead Poisoning (HHI)
State of Connecticut (LHC)	City of Erie, NY (LHC)
Commonwealth of Massachusetts (LHC)	City of Philadelphia, PA (HHI)
St. Paul- Ramsey County, MN (LHC)	City of Toledo, OH (LHC)
City of Milwaukee, WI (Demo)	City of St. Louis, MO (LHC)

Grantees Surpassing Unit Completion/Intervention Goals by 30-50%

Albany, NY (LHC)	City of Burlington, VT (LHC)
City of Denver, CO (LHC)	City of Houston, TX (LHC)
Illinois DPH (LHC)	City of Lynchburg, VA (LHC)
State of Maine (LHC)	State of Minnesota (LHC)
Salt Lake County, UT (LHC)	San Diego, CA (LHC)
City of Springfield, OH (LHC)	City of Stamford, CT (HHI)
Tulane University, LA (HHI)	

Grantees Surpassing Unit Completion/Intervention Goals by 20-30%

City of Durham, NC (LHC)	City of Greensboro, NC (LHC)
Kenosha County, WI (LHC)	City of Springfield, IL (LHC)

Grantee Performance by Rating

Quarter		Green	Yellow	Red	Total
1 st Quarter 2005	No. of Grants	170	51	33	254
	% of Portfolio	66.93%	20.08%	12.99%	
4 th Quarter 2004	No. of Grants	140	32	25	197
	% of Portfolio	71.07%	16.24%	12.69%
