

Infectious Diseases Pathology Branch (IDPB) General Guidelines for Specimen Submission

Requirements for submitting diagnostic specimens/cases to IDPB:

- A. U.S. health care professionals – first consult with your state health department regarding any sample submissions.**
- B. Send an email to Pathology@cdc.gov with:**
- 1) A brief clinical history
 - 2) A copy of the surgical pathology report or autopsy report (prelim reports are acceptable)
 - 3) A listing of available formalin-fixed specimen types (wet tissue, paraffin blocks, and/or slides)
 - 4) Relevant clinical, gross pathology, or microscopic pathology digital images, as available
- C. After you receive approval by email to submit the case to IDPB:**
- 1) Electronically fill, save, and print both pages of the [Specimen Submission Form CDC 50.34](#).
 - a) The form must be filled electronically to generate 3 barcodes required for accessioning
 - b) E-mail addresses of the Original and Intermediate submitters (if any) are mandatory fields
 - 2) Select Test Order Code CDC-10365 (Pathologic Evaluation of Tissues for Possible Infectious Etiologies)
 - 3) Click on links below for specific syndrome based tissue collection instructions:
