

NCHHSTP Consultation on PCSI, August 20-22

Overall meeting objectives

1. To advise NCHHSTP on the development of Program Collaboration and Service Integration (PCSI) activities over the next five years
2. Assist in establishing priorities for PCSI; short term and longer term
3. Identify what CDC can do to assist local PCSI efforts
4. Identify what CDC can do to improve its own efforts toward PCSI
