A “*Glimpse*” Into Local Public Health Practice

Stephanie Bailey, MD, MS
Office of the Chief for Public Health Practice
12/06/06
Local Health Officer/Nashville, TN
May 1995 – Sept. 2006

THREE PICTURES

- One you are most familiar with
and.....
- Two that you may not be.

Health Protection: Urgent Threats

CDC – Protecting People's Health

The New/Old Normal: Urgent Realities

Protection of Health from Predictable Threats: Chronic diseases -

Environmental threats - Injury

Learn the Signs.
Act Early.

Homicides
Suicides

The first 'unknown' to
you

The Stories of our Children
Data:2004

Raphael, age 10, 4th Grade

MAN'S
SEARCH
FOR
MEANING

AN INTRODUCTION TO LOGOTHERAPY

"One of the outstanding contributions to psychological thought in the last fifty years." —Carl R. Rogers

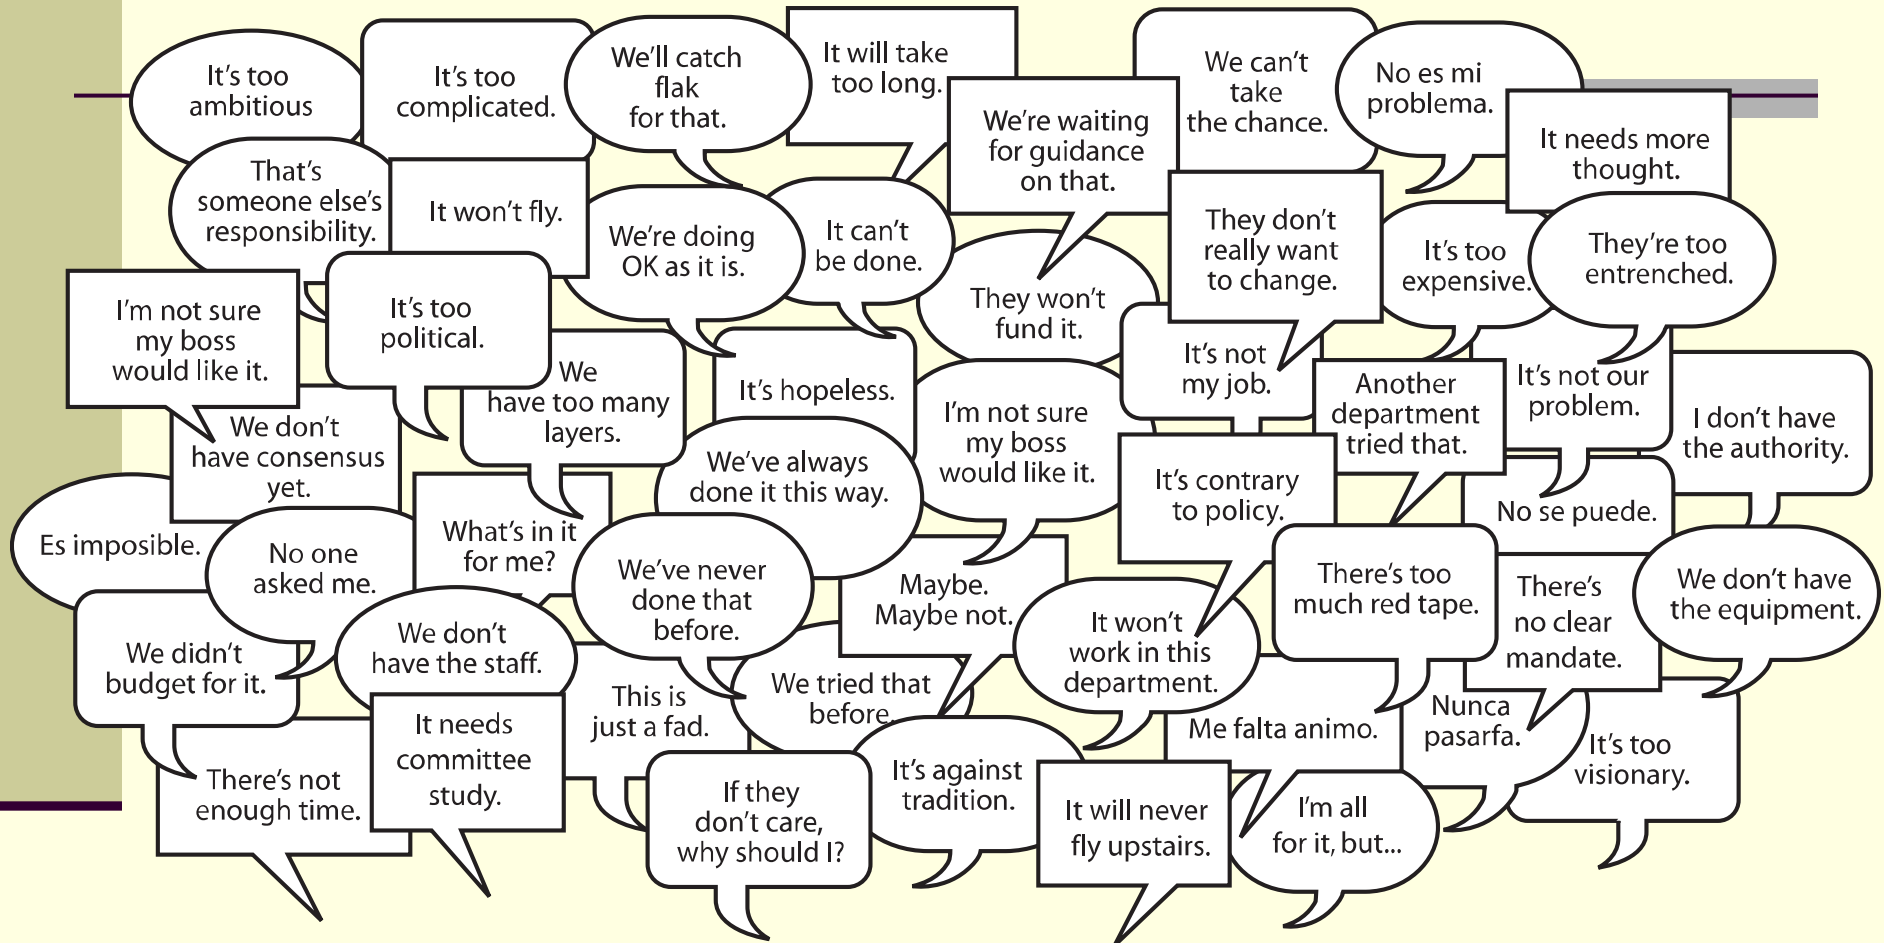

VIKTOR E. FRANKL

“He who has a
why to live
can bear with
almost any
how.”

*“the significance of the problems
we face cannot be solved at the
same level of thinking we had
when we created them”*

Albert Einstein

50 Reasons Not To Change

Stop.
Look inward.
Listen.
To yourself.
To others.

PUBLIC HEALTH IS LIFE BETTER
