

## **Early History: Some Very Smart People!**

- Integrated STD and HIV Prevention (DIS), Community Planning, and Surveillance
- Named HIV Reporting
- All HIV and STD together in one structure

## **The “Dark Period” for some of us....**

- 1994: Care moved out (separate divisions)
- 1995: Care system blew up financially
- 1996: Clean up the mess
- 1997: Rebuild and start fresh!

## **1998-2000: From Crisis Comes Creativity**

- Rebuilt HIV Care system and community trust
- Coordinated and Integrated HIV Care client services statewide across all titles/grantees
