

# A Historical Look

- HDHHS historically received funding through the TDH for STD and HIV activities
- STD interventions were co-located with clinical services as a stand alone program within HDHHS
- 1989 - CDC directly funded HIV Prevention to Houston and the City established the Bureau of HIV Prevention
- 1994 - Name change to the Bureau of HIV/STD Prevention
- 2003 - Beginning of annual budget rescissions from CDC
- 2006 - Bureau underwent massive reorganization
- 2007 - Name change to the Bureau of HIV/STD and Viral Hepatitis Prevention
