STUDY_DESC  Thank you. Explain the following ONLY if this is a new hospital. Provide the administrator or other hospital representative with a brief description of the study. Cover the following points -

(1) NHAMCS is the only source of national data on health care provided in hospital emergency and outpatient departments and ambulatory surgery locations.

(2) NHAMCS is endorsed by the: American College of Emergency Physicians, Emergency Nurses Association, Society for Academic Emergency Medicine, American College of Osteopathic Emergency Physicians, Ambulatory Surgery Center Association, American College of Surgeons, American Health Information Management Association, American Academy of Ophthalmology, Society for Ambulatory Anesthesia

(3) Nationwide sample of about 600 hospitals.

(4) Four-week data collection period

(5) Brief form completed for a sample of patient visits. As one of the hospitals that has been selected for the study, your contribution will be of great value in producing reliable, national data on ambulatory care.

INDUCTION_APPT  I would like to arrange to meet with you so that I can better present the details of the study. Is there a convenient time within the next week or so that I could meet with you or your representative? Record day, date and time of appointment. Enter 999 if the respondent wants to continue with the induction now.

SCREENER_THK  Thank you for your cooperation. I am looking forward to our meeting.

THANK_MERGSEP  Since your hospital has merged or separated within the last 2 years, I need to get further instructions from the Centers for Disease Control and Prevention (CDC) on how to proceed. I will call you back within a week and let you know which parts of your hospital will be in the survey. Thank you for your cooperation.

CALLRO_MERGSE  Call your RO and inform them of the situation. Await resolution from the RO before continuing with this case.
