

Federal Statistical Research Data Centers v.2018

Peter S. Meyer

Assistant Director, Division of Research and Methodology

Director, Research Data Center

History

- Census RDC – 1997
- NCHS RDC – 1998
- Census/NCHS agreement – 2006
 - Census HQ, NBER, University of Michigan, Duke University
 - NCHS Hyattsville
- Growth until 2016
 - Census 22 labs
 - NCHS 4 labs

FSRDC

- Census, OMB, and NSF recognize the need for more restricted use access
- NCHS agrees to explore the idea of expanding the FSRDC
- Rapid expansion
 - Seven new labs
 - Inclusion of BLS, BEA, SOI, and BJS in the process
- Two years of meetings to agree on governance issues
- Evidence-Based Policymaking Commission Act of 2016
- Executive Committee formed in 2018

Future

- There is still a very long way to go
- Confederated versus Federated model
- Budget subcommittee
 - Increasing cost
- Technical subcommittee
- Data sharing
