--- Data not available.

¹Break in series. See OECD website for updated data and additional information. Available at: <http://www.oecd.org/>.

^{††}Data are estimated. See OECD website for updated data and additional information. Available at: <http://www.oecd.org/>.

¹In 1993, Czechoslovakia was divided into two nations, the Czech Republic and Slovakia. Data for years prior to 1993 are from the Czech and Slovak regions of Czechoslovakia.

²Until 1990, estimates refer to the Federal Republic of Germany; from 1995 onward data refer to Germany after reunification.

³Statistical data for Israel are supplied by, and under the responsibility of, the relevant Israeli authorities. The use of such data by OECD is without prejudice to the status of the Golan Heights, East Jerusalem, and Israeli settlements in the West Bank under the terms of international law.

⁴Data are from Table 18.

NOTES: Because calculation of life expectancy estimates varies among countries, ranks are not presented. Therefore, comparisons among countries and their interpretation should be made with caution. See Appendix II, Life expectancy. Some estimates for selected countries and selected years were revised and differ from previous editions of *Health, United States*.
