This listing includes citations published in databases such as Ovid MEDLINE, SocioFile, and Sociological Abstracts, as well as those sent by users of the LSOAs surveys. It also includes citations for presentations, working papers, reports, theses, and dissertations that are not indexed by one of the aforementioned databases. It is, however, incomplete. The LSOAs staff shall be very grateful to friends who send us citations to analyses of any format based on the LSOAs so that they may be included in this listing.
