Dear Director/Administrator,

The National Center for Health Statistics (NCHS) of the Centers for Disease Control and Prevention (CDC) is conducting the National Home and Hospice Care Survey on a randomly selected nationwide sample of home health care and hospice agencies. This voluntary survey is authorized by Federal Law.

We would like some information about the staff of your agency, including their training, benefits, and experience. Any information you provide will be used only for research purposes and will be held in strict confidence. It will not be released to anyone, other than the agencies involved in the survey that are listed in the Dear Director letter sent to you previously, without the consent of the individual or the establishment in accordance with Section 308(d) of the Public Health Service Act (42 USC 242m) and the Confidential Information Protection and Statistical Efficiency Act (PL 107-347).

If you wish to comment on any question or qualify your answers, please feel free to use space in the margins or on the inside of the final page. Your comments will be read and taken into account.

Please answer all of the questions in reference to the agency listed on the front cover.

NOTICE - Public reporting burden of this collection of information is estimated to average 50 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: CDC/ATSDR Reports Clearance Officer, 1600 Clifton Road, MS E-11, Atlanta, GA 30333, ATTN: PRA (0920-0298).

Assurance of Confidentiality - All information which would permit identification of an individual, a practice, or an establishment will be held confidential, will be used only by persons engaged in and for the purpose of the survey and will not be disclosed or released to other persons or used for any other purpose without the consent of the individual or the establishment in accordance with section 308(d) of the Public Health Service Act (42 USC 242m) and the Confidential Information Protection and Statistical Efficiency Act (PL 107-347).
