HELP SCREEN:

Special Education: Teaching designed to meet the needs of a child with <u>special needs and/or disabilities</u>. It is paid for by the public school system and may take place at a regular school, a special school, a private school, at home, or at a hospital.

Early Intervention Services: Services designed to meet the needs of very young children with special needs and/or disabilities. They may include but are not limited to: medical and social services, parental counseling, and therapy. They may be provided at the child's home, a medical center, a day care center, or other place. They are provided by the state or school system at no cost to the parent.
