

Table 2-1. Live Births by County of Occurrence and Place of Residence, by Race of Mother: United States, Each State and County, and Specified Urban Places of 10,000 or More, 2000

(Small figures should be interpreted with caution. Urban places are those with populations of 10,000 or more in 1990 and are incorporated unless otherwise noted. The places designated as urban other than incorporated places are special situations which are explained in the "Geographic classification" section of the Technical Appendix. Totals for each area include races other than white and black)

Table 2-1. Live Births by County of Occurrence and Place of Residence, by Race of Mother: United States, Each State and County, and Specified Urban Places of 10,000 or More, 2000

(Small figures should be interpreted with caution. Urban places are those with populations of 10,000 or more in 1990 and are incorporated unless otherwise noted. The places designated as urban other than incorporated places are special situations which are explained in the "Geographic classification" section of the Technical Appendix. Totals for each area include races other than white and black)

Table 2-1. Live Births by County of Occurrence and Place of Residence, by Race of Mother: United States, Each State and County, and Specified Urban Places of 10,000 or More, 2000

(Small figures should be interpreted with caution. Urban places are those with populations of 10,000 or more in 1990 and are incorporated unless otherwise noted. The places designated as urban other than incorporated places are special situations which are explained in the "Geographic classification" section of the Technical Appendix. Totals for each area include races other than white and black)

Table 2-1. Live Births by County of Occurrence and Place of Residence, by Race of Mother: United States, Each State and County, and Specified Urban Places of 10,000 or More, 2000

(Small figures should be interpreted with caution. Urban places are those with populations of 10,000 or more in 1990 and are incorporated unless otherwise noted. The places designated as urban other than incorporated places are special situations which are explained in the "Geographic classification" section of the Technical Appendix. Totals for each area include races other than white and black)
