

Extended sets

The next year

Margie Schneider

8th Meeting of the Washington Group

Manila, Philippines

29 – 31 October 2008

Revision of the extended set

- Collate all comments and revise set (Margie, Mitch, Cordell, Julie, Ken)
- Set out the testing required within sets – cognitive testing and field testing
- Send revised version for comments:
 - Mid November
 - All Ext Set workgroup members
 - All participants from WG 8th mtg
- Finalise cognitive testing version by early December 2008
- Drafting of cognitive and field testing protocols – Kristen Miller, Ken, Margie
- Drafting proposals for further extended sets for E and participation focusing on complex domains.
- Prepare analysis plan for field testing (Ken and Margie with comments from others)

Work to be presented at 9th Mtg

- Results of cognitive testing
- Early results from field testing
- Proposal on E and Participation Qs
(experience of disability)
