Facility ID#:	
Vaccination type: COVID-19	
Week of data collection (Monday – Sunday):    /    /    –    /    /	Date Last Modified:    /    /
<b>Cumulative Vaccination Coverage</b>	
Note: Facilities submit Weekly COVID-19 Vaccination Cumulative Summary data by completing the questions on this form. As of March 28 <sup>th</sup> , 2022 facilities also have the option to use the Person-Level COVID-19 Vaccination Forms and select the “view reporting summary and submit” to submit these data. Using the person-level forms is recommended to ensure that individuals who are up to date with COVID-19 vaccination are categorized appropriately according to their vaccination dates.	
1. *Number of residents staying in this facility for at least 1 day during the week of data collection	
2. *Cumulative number of residents in Question #1 who are <b>up to date</b> with COVID-19 vaccines.	
<b>Please review the current definition of up to date:</b> <a href="#">Key Terms and Up to Date Vaccination</a>	
3. *Cumulative number of residents in Question #1 with other conditions:	
3.1. *Medical contraindication to COVID-19 vaccine	
3.2. *Offered but declined COVID-19 vaccine	
3.3. *Unknown/other COVID-19 vaccination status	
<b>Adverse Events following COVID-19 Vaccine(s)</b>	
Clinically significant adverse events should be reported to the Vaccine Adverse Event Reporting System (VAERS) at <a href="https://vaers.hhs.gov/reportevent.html">https://vaers.hhs.gov/reportevent.html</a> . To help identify reports from NHSN sites, please enter your <b>NHSN orgID</b> in <b>Box 26</b> of the <b>VAERS</b> form.	
Clinically significant adverse events include vaccine administration errors and serious adverse events (such as death, life-threatening conditions, or inpatient hospitalization) that occur after vaccination, even if it is not certain that vaccination caused the event.	
Other clinically significant adverse events may be described in the provider emergency use authorization (EUA) fact sheets or prescribing information for the COVID-19 vaccine(s). Healthcare providers should comply with VAERS reporting requirements described in EUAs or prescribing information.	
<b>Assurance of Confidentiality:</b> The voluntarily provided information obtained in this surveillance system that would permit identification of any individual or institution is collected with a guarantee that it will be held in strict confidence, will be used only for the purposes stated, and will not otherwise be disclosed or released without the consent of the individual, or the institution in accordance with Sections 304, 306 and 308(d) of the Public Health Service Act (42 USC 242b, 242k, and 242m(d)).
