

Table 11. Instructions for Completion of the AUR Option Forms (CDC 57.123 and CDC 57.124) ([Tables of Instructions List](#))

As of 2010, these forms were retired.

Please refer to Patient Safety Component Manual Chapter 11 for the protocol for collecting and reporting of Antimicrobial Use Option data, which became available for use in v6.4 (June 2011). Note that this option does not have a data collection form or manual data entry and instead uses Clinical Document Architecture (CDA) as the sole means of data reporting. Appendix A gives detailed instructions of the data field specifications.

The Antimicrobial Resistance Option is currently undergoing revision, and no data may be reported to NHSN at this time.
