## Locations

Expo **2** Add

Your Code	Your Label	CDC Description	CDC Code	NHSN HL7 Code	Bed Size	Status
1029-8						ACTIVE
13022						ACTIVE
13112						ACTIVE
13222TEST						ACTIVE
24_HR OBS						ACTIVE

Page 1 of 17 10 items per page 1 - 10 of 170 items

1. On the left navigation menu of the NHSN homepage, select **Locations**. This page will display all facility locations.
2. To add a new location, select **Add** in the upper right-hand corner.

# Add a location

The screenshot shows the NHSN interface for adding a location. The header includes the NHSN logo, the hospital name 'TEST MEMORIAL HOSPITAL (12345)', and the user email 'TEST@CDC.GOV'. A 'Biovigilance' tab is active. A left sidebar contains navigation options: Alerts, Survey, Adverse Reaction, Patients, Users, Locations, Facility Info, Groups, Analysis, and Logout. The main content area is titled '1 Add Location' and contains several required fields marked with a red asterisk: 'Your Code\*', 'Your Label\*', 'CDC Description\*', 'Status\*', and 'Bed Size'. In the top right corner, there is a 'Ba 2' button and a blue 'Save' button. An orange arrow points from the 'Save' button down to a central instruction box. The instruction box contains two steps: 1. When the **Add Location** screen appears, complete all the required fields marked with \*. 2. Once all the required fields are filled, select **Save** in the upper right corner.

The following resources are available to provide additional guidance, support, and assistance related to the Hemovigilance Module. These services are designed to help users access reliable information, professional advice, and ongoing support when needed.
