

Postponed Release of COVID-19 and AUR Updates

From: NHSN (CDC) <nhsn@cdc.gov>

Sent: Thursday June 25, 2020

Dear NHSN Users:

Please note that today's anticipated updates for the COVID-19 and AUR modules which were communicated on June 22nd, are postponed until mid-to late next week. A confirmatory blast email outlining the details of the updates will be provided once they go live.

Thank you for your understanding and again, thank you for your continued NHSN participation and delivery of safe patient care during the COVID-19 pandemic.

The NHSN Team
