NHSN Version 9.3.1 Now Available

Dear NHSN Users,

NHSN Version 9.3.1 was released on Tuesday evening, 7/16/2019. This release was devoted to infrastructure and back end processing updates. The LTC Component is rolling out, for general use within the LTC Component, the LTC Dashboard. As of v9.3, the LTC Dashboard was only available, for functionality review and testing, to a few selected LTC facilities and users. Please review the attached release notes for general details about the changes found in NHSN Version 9.3.1.

As with every release, we resolved many defects. For resolved Analysis and Reporting defects, remember to regenerate datasets to be able to be able to take advantage of any associated corrections.

As always, please send all questions to the NHSN Helpdesk: NHSN@cdc.gov.

Sincerely,

The NHSN Team
