

Subject: Coming Soon: Updates to the NHSN Training Website

Dear NHSN Users,

The NHSN team would like to thank you again for the valuable feedback provided on the 2016 NHSN Education and Training Needs Assessment survey!

NHSN user responses on the survey indicated a need for increased navigability and more streamlined access to training activities and materials. This feedback has been incorporated into updates on the NHSN Training website: <https://www.cdc.gov/nhsn/training/index.html>

Attached to this email is a summary of the most notable changes to the NHSN Training website.

Keep an eye out for the updated website to go live in early 2018! Please direct any questions to NHSNTrain@cdc.gov.

Thank you!
