

February 2013

Subject: NHSN Version 7.1 is Now Available (Sent 2/17/2013)

Dear NHSN Users,

NHSN version 7.1 was released this weekend. Please review the [attached newsletter](#) for important details about the changes found in NHSN version 7.1.

With the updates that were made this weekend it is now okay begin entering the data you've collected thus far in 2013 into the NHSN application. We also recommend that you now enter your 2012 Patient Safety Component Annual Facility Survey.

If you have questions or comments, please contact us at nhsn@cdc.gov. Please note that Monday, February 18th is a Federal holiday and there will be limited user support, but we will respond to your questions or concerns as soon as possible.

Thank you,
The NHSN Team
