

2016 NHSN MODULE: ANTIBIOTIC STEWARDSHIP WD 2687

PROGRAM DESCRIPTION: Seminars are designed to increase knowledge and change competency of healthcare-associated infection surveillance and prevention practices and strategies. Content is derived from National Healthcare Safety Network (NHSN) trainings and protocols.

OBJECTIVES:

At the conclusion of the session, the participant will be able to:

1. Explain the importance of antibiotic stewardship for prevention of healthcare-associated infections
2. Describe the Annual Facility Survey: antibiotic stewardship questions
3. Describe NHSN analysis output options for antibiotic resistance
4. Outline the purpose, features, and benefits of the NHSN AUR Module
5. Discuss the requirements for NHSN AUR Module data submission
6. Describe the analysis reports currently available within the NHSN AUR Module
7. Explain the development of the SAAR and SAAR Output options in NHSN

FACULTY/ CREDENTIALS:

Hicks, Laurie	DO, Medical Epidemiologist Centers for Disease Control and Prevention/National Center for Emerging and Zoonotic Infections Diseases/Department of Health Quality Promotion/Respiratory Diseases Branch	Antibiotic Stewardship
van Santen, Katharina	MSPH, Statistical Data Analyst Centers for Disease Control and Prevention/ National Center for Emerging and Zoonotic Infectious Diseases/ Division of Healthcare Quality Promotion/ Surveillance Branch	The Standardized Antimicrobial Administration Ratio (SAAR)
Webb, Amy	MPH, CHES, Public Health Analyst Centers for Disease Control and Prevention/National Center for Emerging and Zoonotic Infections Diseases/Department of Health Quality Promotion/Surveillance Branch	NHSN Antimicrobial Use & Resistance Module
Weiner, Lindsey	BS, MPH, Public Health Analyst Centers for Disease Control and Prevention/ National Center for Emerging and Zoonotic Infections Diseases/Department of Health Quality Promotion/Surveillance Branch	Analyzing Antimicrobial Resistance Data in NHSN

ORIGINATION DATE June 20, 2016

RENEWAL DATE:

EXPIRATION DATE: June 20, 2018

URL: <http://www.cdc.gov/nhsn/training/patient-safety-component/index.html>

HARDWARE/SOFTWARE: Computer Hardware; Internet connection; Browser

MATERIALS: None

TARGET AUDIENCE: Infection Preventionists, Registered Nurses, Physicians, Epidemiologists, Laboratorians, Data Entry Staff

PREREQUISITES:

Participants should be healthcare personnel involved in infection prevention and control and should have some clinical background. The participants should be familiar with the content of the Patient Safety Component Protocol within the National Healthcare Safety Network.

FORMAT:

These seminars are live webcasts.

CONTACT INFORMATION: Division of Healthcare Quality Promotion, NHSN@cdc.gov

ACCREDITATION STATEMENTS:

CME: The Centers for Disease Control and Prevention is accredited by the Accreditation Council for Continuing Medical Education (ACCME®) to provide continuing medical education for physicians.

The Centers for Disease Control and Prevention designates this **enduring material** for a maximum of **(3.0) AMA PRA Category 1 Credits™**. Physicians *should claim only the credit commensurate with the extent* of their participation in the activity.

CNE: The Centers for Disease Control and Prevention is accredited as a provider of Continuing Nursing Education by the American Nurses Credentialing Center's Commission on Accreditation.

This activity provides **(3.0)** contact hours.

CEU: The Centers for Disease Control and Prevention is authorized by IACET to offer **(0.3)** CEU's for this program.

For Certified Public Health Professionals (CPH)

The Centers for Disease Control and Prevention is a pre-approved provider of Certified in Public Health (CPH) recertification credits and is authorized to offer **(3.0)** CPH recertification credits for this program.

CDC is an approved provider of CPH Recertification Credits by the National Board of Public Health Examiners. Effective October 1, 2013, the National Board of Public Health Examiners (NBPHE) accepts continuing education units (CEU) for CPH recertification credits from CDC. Please select CEU as your choice for continuing education when registering for a course on TCEOnline. Learners seeking CPH should use the guidelines provided by the NBPHE for calculating recertification credits. For assistance please contact NBPHE at <http://www.NBPHE.org>.

DISCLOSURE: In compliance with continuing education requirements, all presenters must disclose any financial or other associations with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters as well as any use of unlabeled product(s) or product(s) under investigational use.

CDC, our planners, content experts, and their spouses/partners wish to disclose they have no financial interests or other relationships with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters. Planners have reviewed content to ensure there is no bias.

Content will not include any discussion of the unlabeled use of a product or a product under investigational use.

CDC did not accept commercial support for this continuing education activity.

To receive continuing education (CE):

Complete the activity

Complete the Evaluation at www.cdc.gov/TCEOnline

Pass the posttest at 80 % at www.cdc.gov/TCEOnline

FEES: No fees are charged for CDC's CE activities.
