CATHETER-ASSOCIATED UTI EVENTS AND NHSN ANALYSIS: 
FOCUS ON DEVICE-ASSOCIATED DATA 
WD4169

PROGRAM DESCRIPTION: This educational activity is designed to instruct healthcare personnel on the identification and interpretation of various measures used to analyze device-associated data in the National Healthcare Safety Network (NHSN) and how to collect and report catheter-associated urinary tract infection (CAUTI) hospital data to NHSN.

OBJECTIVES:
At the conclusion of the session, the participant will be able to:
1. Explain 2019 UTI Protocol Updates
2. Define fever, age, and device association
3. Describe UTI Data Collection Form & Table of Instructions
4. Define the standardized infection ratio (SIR) and its use in the interpretation of Device-associated data
5. Describe the risk-adjustment methods for SIR Data
6. Explain the use of the SIR data and interpretation of the analysis reports
7. Describe the importance of interprofessional collaboration in healthcare-associated infection surveillance and reporting

FACULTY/ CREDENTIALS: 
Agasha Katabarwa, MPH, Public Health Analyst/ Epidemiologist, Centers for Disease Control and Prevention

Bonnie Norrick, MT(ASCP), EdM, CIC, CPHQ, Infection Prevention Consultant CACI, Centers for Disease Control and Prevention

Prachi Patel, BS, MPH, Scientific Data Analyst, CACI, Centers for Disease Control and Prevention

ORIGINATION DATE OR EXPIRATION DATE: 
July 1, 2019
July 1, 2021

HARDWARE/SOFTWARE: Computer Hardware; Internet connection; Browser

MATERIALS: None

TARGET AUDIENCE: Physicians, Physician Assistants, Nurses, Epidemiologists, Administrators, Program Managers, Infection Preventionists, and Health Educators

PREREQUISITES: Participants should have some clinical background and be familiar with the National Healthcare Safety Network (NHSN) Patient Safety Component Manual document, available on the NHSN website as well as the NHSN application.

FORMAT: These modules are web-on-demand.

CONTACT INFORMATION: Division of Healthcare Quality Promotion, NHSN@cdc.gov

ACCREDITATION STATEMENTS:

CME: The Centers for Disease Control and Prevention is accredited by the Accreditation Council for Continuing Medical Education (ACCME®) to provide continuing medical education for physicians.

The Centers for Disease Control and Prevention designates this enduring material for a maximum of 2.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
CNE: The Centers for Disease Control and Prevention is accredited as a provider of Continuing Nursing Education by the American Nurses Credentialing Center's Commission on Accreditation.

This activity provides 1.9 contact hours.

CEU: The Centers for Disease Control and Prevention is authorized by IACET to offer 0.2 CEU's for this program.

For Certified Public Health Professionals (CPH)

The Centers for Disease Control and Prevention is a pre-approved provider of Certified in Public Health (CPH) recertification credits and is authorized to offer 2 CPH recertification credits for this program.

DISCLOSURE: In compliance with continuing education requirements, all presenters must disclose any financial or other associations with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters as well as any use of unlabeled product(s) or product(s) under investigational use.

CDC, our planners, content experts, and their spouses/partners wish to disclose they have no financial interests or other relationships with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters. Planners have reviewed content to ensure there is no bias.

Content will not include any discussion of the unlabeled use of a product or a product under investigational use.

CDC did not accept commercial support for this continuing education activity.

Instructions for Obtaining Continuing Education (CE)

In order to receive continuing education (CE) for WD4169 Catheter-associated UTI Events and NHSN Analysis: Focus on Device-associated Data please visit TCEO and follow these 9 Simple Steps before July 1, 2020.

Complete the activity
Complete the Evaluation at www.cdc.gov/GetCE
Pass the posttest at __75__% at www.cdc.gov/GetCE

FEES: No fees are charged for CDC's CE activities.
