    - Log into the SAMS Partner Portal using your SAMS username (email address) and recently established password.
    - Provide Experian with your social security number (SSN) and Date-of-Birth (DOB)

  **Important Notes with selecting Option #1:**
  
  ⚫ Provided information is sent directly to Experian and not captured or stored by SAMS.
  ⚫ At any point you can exit the Experian process if you’d prefer to not provide this information.
  ⚫ This option will not impact your credit score or credit worthiness.
  ⚫ This process is the fastest and safest method to complete the SAMS identity proofing process.
  ⚫ If Experian is unable to validate your identity after the third attempt, you can still complete the identity verification process using Option 2.

  o **OPTION 2 - Document Submission/Validation**
    - **Identity Verification Request** email will contain detailed instructions about the process and options for identity documentation submission.
    - Once received by CDC, it will be reviewed and validated.
