Disclaimer: The findings and conclusions in this presentation have not been formally disseminated by the National Institute for Occupational Safety and Health and should not be construed to represent any agency determination or policy.
The **VISION** is to be the leading provider of quality, relevant, and timely PPT research, training, and evaluation.

The **MISSION** of the PPT cross sector program within NIOSH is to prevent work-related injury, illness and death by advancing the state of knowledge and application of personal protective technologies (PPT).
