Subject: 226 - Implementation of the James Zadroga 9/11 Health and Compensation Act of 20

I am a work related responder, I was existing the Staten Island Ferry in Manhattan at the ferry terminal when the 2nd plane hit the tower

I was living in Staten Island NY

I worked for Bovis Lend Lease and was at the site working on the pile that evening,

I am registered and have since developed COPD and Emphysema

I believe firmly in the implementation of the Zadroga 911 Health and Compensation Act of 20

Sincerely,
