Dear Ms. Manning:

I am responding to the January 10, 1994, request of Dr. Richard Niemeier concerning information relevant to implementing the Workers' Family Protection Act. Staff have reviewed files and identified three documents that pertain to items two and/or three of the eight listed in the November 15, 1993, announcement in the Federal Register. The Alabama Department of Public Health has no information pertinent to items one and four through eight.

I hope this information is useful to you.

Sincerely,

Donald E. Williamson, M.D.
State Health Officer
