

# **General Information for all Attendees**

March 24, 2011

We look forward to your attendance at the NIOSH Personal Protective Technology Stakeholders Meeting on Tuesday, March 29, 2011. We have listed information to facilitate your travel to the meeting.

**Location:** Hyatt Regency Pittsburgh Airport, located at **1111 Airport Boulevard, Pittsburgh, PA 15231**, and adjacent to the airport terminal. You will not have to brave the elements from your arrival gate or baggage claim to the hotel. Simply follow the signage to parking.

**Parking:** Parking at the Airport is owned by the Airport Authority and operated by the Grant Oliver Corporation. The Hyatt does not own the parking area designated as "hotel parking." It is simply the most convenient to the hotel. Parking is available in the long-term and extended lots. The maximum cost for the long-term lot is \$13 and the maximum cost for the extended lot is \$8. Both parking lots provide access to the hotel via the moving walkway. A diagram of the [parking](#) is available on our website.

**Meeting Registration Desk:** The meeting registration desk will be located in the foyer outside of Regency Ballrooms A-B-C and will open at 7:30 AM. Once you have received your name badge, you are welcome to peruse the posters in Regency Ballrooms D-E-F.

**ABIH Certification Maintenance Points:** If you are requesting certification maintenance points, we will provide a certificate of attendance at the end of the day. If you email Judi Coyne at [jcoyne@cdc.gov](mailto:jcoyne@cdc.gov) before 9:30 AM on Monday, March 28, the certificate can have your name neatly typed in.

**Continuing Education Credits for Certified Pesticide Handlers:** Those requesting continuing education credits will complete paperwork at the table in front of the Lindberg Room. Questions should be directed to Dennis Groce. [dgroce@cdc.gov](mailto:dgroce@cdc.gov)
