Conflict of Interest Disclosure Statement***

The Advisory Board on Radiation and Worker Health (the Board) is very concerned with maintaining the transparency of the compensation program created by the Energy Employees Occupational Illness Compensation Program Act of 2000. In an effort to foster a fully open and honest environment for claimants and in order to allay any concerns within the stakeholder community regarding perceived or actual conflicts of interest for Board members, the Board releases the following information:

Board Member's Name and Position: **Michael H. Gibson**
Retired Journeyman Electrician, Babcock & Wilcox of Ohio, E.G. & G., Mound Applied Technologies and Monsanto Research Corporation at the DOE Mound Facility
Past President, Paper, Allied-Industrial, Chemical and Energy International Union, Local 5-4200
Miamisburg, Ohio

Biographical Information: Mr. Gibson, now retired, served as a Journeyman Electrician at Babcock & Wilcox of Ohio, E.G. & G., Mound Applied Technologies and Monsanto Research Corporation at the DOE Mound Facility since 1981. He has been responsible for installation, maintenance, demolition, and decontamination of radiological laboratories throughout the site.

Waiver: Mr. Gibson has been provided a waiver under 18 U.S.C. § 208(b)(3), permitting him to participate in the deliberations and recommendations of the Board, because the need for his services outweighs the potential for conflict of interest. This waiver is expressly limited as described below, and will not allow participation relating to specific matters in which he has a financial or imputed financial interest. In addition, Mr. Gibson will remain subject to the disqualification requirements imposed by 5 C.F.R. § 2635.502 with respect to specific party matters. Each individual Board member, with the assistance and guidance of the Designated Federal Official, will monitor all Board issues for other actual or potential conflicts of interest and will ensure proper recusal if necessary.

Year Waiver Issued: 2006
