

***Conflict of Interest Disclosure Statement
for
Members of the Advisory Board on Radiation and Worker Health***

The Advisory Board on Radiation and Worker Health (Board) is concerned with maintaining the transparency of the compensation program created by the Energy Employees Occupational Illness Compensation Program Act of 2000 (EEOICPA). In an effort to foster a fully open and honest environment for claimants and in order to allay any concerns within the stakeholder community regarding perceived or actual conflicts of interest for Board members, the Board releases the following information for its Members:

Board Member's Name: David Kotelchuck, Ph.D., M.P.H.

Job Title and Former Employer: Professor Emeritus, Hunter College of the City University of New York (CUNY)
New York, New York

Biographical Information: David Kotelchuck is retired from Hunter College, CUNY, where he was director of the graduate program in Environmental and Occupational Health Sciences (1984-1997) and founder and co-director of the Center for Occupational and Environmental Health (1989-2010). His research investigated a range of occupational and environmental health hazards and he led and participated extensively in the development and conduct of programs to train occupational health professionals. He also directed and consulted for safety and health programs of labor unions and participated in a variety of national and federal advisory panel roles, including federal panels which reviewed proposals for occupational safety and health research grants. Before retirement he was certified for many years in the comprehensive practice of industrial hygiene. He received his B.A. in physics from John Hopkins University, his Ph.D. in high-energy physics from Cornell University, and an MPH in occupational health from Harvard University.
