

Conflict of Interest Disclosure Statement
for
Members of the Advisory Board on Radiation and Worker Health

The Advisory Board on Radiation and Worker Health (Board) is very concerned with maintaining the transparency of the compensation program created by the Energy Employees Occupational Illness Compensation Program Act of 2000 (EEOICPA). In an effort to foster a fully open and honest environment for claimants and in order to allay any concerns within the stakeholder community regarding perceived or actual conflicts of interest for Board members, the Board releases the following information for its Members:

Board Member's Name: Phillip Schofield

Job Title and Current Employer: None applicable

Biographical Information: Mr. Schofield worked for Los Alamos National Laboratory (LANL) for twenty-one years. He has extensive experience in actinide chemistry. His background includes making fuel pins, reduction of Pu O₂, americium extraction, and recovery and purification of plutonium. Mr. Schofield spent his last five years at LANL as an Operations Center Specialist, running and monitoring the plutonium facility. Since 1996 he has been on medical disability.

Expert Witness Experience: N/A

DOE/AWE Sites Where a Conflict of Interest Exists: Los Alamos National Laboratory, Lawrence Livermore National Laboratory, and Sandia National Laboratory

Subject Matters Where a Conflict of Interest Exists: Specific party matters involving two of Mr. Schofield's close family members (including Special Exposure Cohort petitions and dose reconstruction claims represented or submitted by the two family members).

Conflicted Sites/Subject Matters Regarding Which the Board Member Has Received Permission to Participate: Mr. Schofield has not received permission to participate in specific party matters involving the abovementioned conflict of interest concerns.
