SEC Tracking Number: SEC00229

Ms. Rachel Leiton, Director  
Division of Energy Employees Occupational Illness Compensation  
U.S. Department of Labor  
200 Constitution Avenue, N.W., Room C-3321  
Washington, District of Columbia 20210

Dear Ms. Leiton:

On behalf of the Secretary of the Department of Health and Human Services (HHS), and as required by 42 C.F.R. § 83.17(d), I am notifying you of the final effect of the HHS decision to designate a class of employees from the Battelle Laboratories-King Avenue in Columbus, Ohio, as an addition to the Special Exposure Cohort (SEC) under the Energy Employees Occupational Illness Compensation Program Act of 2000. On February 18, 2016, as provided for under 42 U.S.C. §7384q(b), the Secretary of HHS designated the following class of employees as an addition to the SEC:

“All Atomic Weapons Employees who worked at the facility owned by the Battelle Laboratories at the King Avenue site in Columbus, Ohio, during the period from July 1, 1956, through December 31, 1970, for a number of work days aggregating at least 250 work days, occurring either solely under this employment, or in combination with work days within the parameters established for one or more other classes of employees included in the Special Exposure Cohort.”

This designation became effective on March 19, 2016, as provided for under 42 U.S.C. §7384(l)(14)(C). Therefore, beginning on March 19, 2016, members of this class of employees, defined as reported in this notice, became members of the SEC.

Sincerely,

[Signature on File]

Stuart L. Hinnefeld, Director  
Division of Compensation Analysis and Support  
National Institute for Occupational Safety and Health
