

3. *Rulemaking.* Should the regulations for this program be in the FAR, in separate GSA regulations, or both? Why?

D. Additional Considerations

What other issues are especially important in thinking about Phase I and the initial implementation plan?

III. Public Meeting

GSA and OMB are holding a modified town-hall style public meeting on January 9, 2018. The meeting will start at 8:30 a.m. Eastern Standard Time and conclude no later than 4:00 p.m. Eastern Standard Time. Attendees can attend the meeting in person at GSA Central Office or virtually through GSA's internet meeting platform, Adobe Connect. Further details on the virtual meeting will be made available via GSA Interact at <https://interact.gsa.gov/group/commercial-platform-initiative>. (GSA may encourage industry-to-industry dialogue through this interact site.)

GSA and OMB will not make presentations and will not answer questions during this meeting. Instead, GSA and OMB will actively listen to the viewpoints and information presented by different interested parties. GSA and OMB may pose questions to participants to clarify feedback, to generate dialogue, or to increase understanding.

This meeting will focus on Phase I. Future sessions are envisioned to gather information for subsequent implementation phases.

In-person Attendance: Interested parties may attend the public meeting to be held in the GSA Auditorium at GSA Headquarters, located at 1800 F St NW, Washington, DC 20405. The public is asked to pre-register by January 2, 2018, due to security and seating limitations. To pre-register, email the names of attendees (required) and the name of their organization (not required) to Mr. Matthew McFarland at section846@gsa.gov.

Registration check-in will begin at 7:30 a.m. Eastern Standard Time January 9, 2018, and the meeting will start promptly at 8:30 a.m. Eastern Standard Time, January 9, 2018. Attendees must be prepared to present a form of government-issued photo identification.

Oral Presentations: GSA and OMB intend to conduct a modified town-hall/panel style discussion focused around each of the three main topics outlined above (*i.e.*, program design, buying practices, and implementation). GSA will assign parties interested in presenting (at the public meeting) into panels.

GSA intends to organize panel discussions around each of the three topic areas (General Program Design, Buying Practices, and Implementation). Each panel discussion will include up to five panelists and is expected to run between one to two hours. Parties wishing to participate as a panel member should email Mr. Matthew McFarland at section846@gsa.gov by December 28, 2017, noting which of the three topics they wish to address.

GSA will select the panelists from amongst those expressing an interest and will formally notify them of which panel and estimated starting time. In selecting panelists, GSA will seek an array of perspectives, backgrounds, and views.

As part of the facilitated dialogue, GSA and OMB employees will ask the panelists questions. Time permitting, other attendees may also be invited to ask questions. Time will be reserved before the conclusion of the meeting for attendees to comment on issues not already addressed.

Note: Requests made after the deadline to participate on a panel may be accepted if space permits.

Virtual Attendance: Interested parties may also attend virtually through GSA's virtual meeting platform, hosted by Adobe Connect. Further details on the virtual meeting will be made available via GSA Interact at <https://interact.gsa.gov/group/commercial-platform-initiative>.

Meeting Accommodations: The public meeting is physically accessible to people with disabilities. Request for sign language interpretation or other auxiliary aids should be directed to Mr. Matthew McFarland at section846@gsa.gov or 202-690-9232 by December 28, 2017.

The TTY number for further information is: 1-800-877-8339. When the operator answers the call, let them know the agency is the General Services Administration; the point-of-contact is Mr. Matthew McFarland at 202-690-9232.

Dated: December 11, 2017.
