

# InterAgency Board (IAB) – FY15 (93902XU)

## Objective

### IAB MISSION:

Establish and coordinate local, state, and federal standardization, interoperability, compatibility, and responder health and safety to prepare for, train and respond to, mitigate, and recover from any incident by identifying requirements for an all-hazards incident response with a special emphasis on CBRN issues.

## Key Partners

- Department for Homeland Security (DHS)
- National Fire Protection Association (NFPA)
- National Institute for Standards & Technology (NIST)
- Department of Defense (DOD)
- Federal Emergency Management Agency (FEMA)
- Responder Knowledge Base (RKB)
- Battelle Memorial Institute

## Stakeholders

- Local, State & Federal Emergency Responders
- International Association of Fire Chiefs (IAFC)
- International Association of Chiefs of Police (IACP)
- International Association of Fire Fighters (IAFF)
- National Tactical Officers Association (NTOA)

## Project Scope

- Provide yearly funding support to the IAB Program Management Office and the participation of NIOSH-NPPTL staff as members of the InterAgency Board

## Milestones FY15

- Participation in two (2) IAB General Session and Subgroup Meetings (Federal Agency Coordinating Committee, Executive Committee, Equipment Subgroup, Standard Coordination Subgroup, Training & Exercise Subgroup)
- Development, editing, printing and release of the IAB 2014 Annual Report
- Review and update of the Standard Equipment List (SEL)
- Updates to the FEMA Grants Program Directorate – Authorized Equipment List
- See Additional Outputs

## Outputs

- Recommendations on Selection and Use of Personal Protective Equipment for First Responders against Ebola Exposure Hazards
- IAB Research & Development (R&D) Priority List
- IAB Standards Development Priority List
- IAB 2014 Annual Report (Jan 2015 release)
- Support to FEMA Grants Program Directorate on Authorized Equipment List (AEL)

## Outcomes

- Emergency Response Agencies/Departments Information Source Including All-Hazard Standard Equipment List (SEL), Training Requirements, Federal/Consensus Standards and White Papers
